

Kendra Anderson joined BLC Community Bank in January 2018 as Vice President of Commercial Lending. She attended Loyola University Chicago where she graduated with a Bachelors of Business Administration. Kendra has been in banking for 10 years in the Green Bay area and is excited to be part of a local, community bank where she feels she can make an impact.

In her free time, Kendra enjoys golfing with her husband. She can also be found watching her daughter play basketball, or at rinks all over the Midwest for her son’s hockey games!
