Andrew joined BLC Community Bank as a Commercial Lender in 2020. His background in commercial credit gives him an advantage when it comes to understanding each clients' financial picture.

Whatever your business financing needs may be, Andrew is ready to get to know you and your business to provide you with the best option. Whether it's financing your next real estate acquisition, funds for expansion or other business-related expenses, or a line of credit; he will help guide you through every step of the process.

## Andrew's advice for new clients:

*"With any transaction it's important to communicate. There are many financial documents you will be asked for to complete a loan request, and prompt delivery helps keep the process moving smoothly. Lastly, if you have questions, don't hesitate to ask them. That's what we're here for!"*

Andrew holds Bachelor of Science in Business Administration and Financial Services from University of Wisconsin Stout and recently received his Juris Master from Liberty University.

In his free time, Andrew enjoys spending time with his wife and children Bentley and Tansley, playing golf, and watching all things Wisconsin sports.
